A3 BLACK AND WHITE
MULTIFUNCTIONALS

THE RELIABLE AND COMPACT OFFICE COMPANION

 **KYOCERA**
Document Solutions

A COMPACT AND TOUGH DEVICE TO CARRY OUT YOUR BUSINESS TASKS

The TASKalfa workgroup multifunctional series has been designed to have enough power to take care of your everyday tasks and your growing office demands. It handles documents up to A3 and achieves print and copy speeds of up to 18/22 A4 pages and 8/10 A3 pages per minute. Moreover, their world-renowned long-life components make them exceptionally reliable and cost effective for a cost conscious small office.

The TASKalfa multifunctionals deliver high quality print and copy output and colour scanning combined with network functionality and enhanced paper capabilities that are easy to use for everyone in the office. Whatever your needs are, the flexibility, compact design and user-friendliness of this TASKalfa series make these devices the best possible choice for your office.

ADDITIONAL FEATURES TO EASE YOUR BUSINESS ROUTINE.

These multifunctionals can be equipped with a wide range of convenient functions, making them even more productive. They can be expanded with a network print and scan function and an optional fax unit, which can be a helpful addition when sharing the device and having to transfer data efficiently.

A convenient feature when many people share the device is the standard print box functionality that enables users to temporarily store a print job. This prevents undesired mixing of printed documents. Finally, the ID card copy function allows you to copy both sides of an original ID card in one operation on to a single sheet and the layout mode enables you to downsize two or four originals to make them fit on to one page. Which saves time and paper.
